

AUTUMN 2023 AT UW FRIDAY HARBOR LABS

Students from all institutions and walks of life welcome! Cost of the apprenticeship for non-UW students is the same as for UW Resident students.

CHOOSE FROM 2 PROGRAMS, EACH 10 WEEKS LONG, 15-16 CREDITS:

1. AUTUMN MARINE STUDIES, A THREE-COURSE PROGRAM

Students enroll in three courses: Ecology and Human Interactions in the Salish Sea; Comparative Anatomy & Physiology of Marine Organisms; and Research in Marine Biology (in which students conduct their own research project).

2. PELAGIC ECOSYSTEM FUNCTION RESEARCH APPRENTICESHIP

Students learn about complex processes in the open water ecosystem of the San Juan Archipelago, and conduct meaningful research to help document long term changes in the region.

Earn Field & Research Credits

Some or all credits may apply toward field experience or research requirements for your degree. Check with your advisor.

Financial Aid

Financial assistance may be available. Students can request assistance when they apply to a program.
