

**Biology of Limpets: evolution, adaptation,  
ecology and environmental impacts**  
(Meeting of the Malacological Society of London)

**Venue: Natural History Museum, London**  
**Date of Meeting – 5<sup>th</sup> & 6<sup>th</sup> March 2024**

**Second Announcement**  
**Call for Presentations and Registration**

Plans for the meeting are well underway. The meeting is scheduled to begin at 3 pm on Tuesday 5<sup>th</sup> March, continuing throughout Wednesday 6<sup>th</sup> March. We are now calling for submissions of presentations and registrations.

To be considered for a slot in the programme submit Registration Details and Abstracts **by January 5<sup>th</sup> 2024 to Alan Hodgson (A.Hodgson@ru.ac.za)**.

**Registration details needed** in the email are Name, Address, E-mail address, phone number. **Abstracts** should be no longer than 200 words (excluding title, authors and affiliations).

When registering and submitting an abstract please indicate types of presentation **in order of preference** (first, second, third preference):- **spoken paper (12 minutes + 3 minutes for questions); spoken speed presentation (5 minutes); poster paper.**

For a multi-authored paper/poster indicate the name of the presenter.

**Invited speakers** include, Louise Firth (University of Plymouth & University College Cork), Fernando Lima (University of Porto), Juan Sempere-Valverde (University of Seville & KAUST)

Presentations on all forms of limpet (living and extinct) will be accepted.

**On Day 1 of the meeting there will be talks and an evening informal social gathering** (venue to be announced). **On Day 2** lunch and refreshments will be provided during the poster sessions.  
**The Malacological Society will also hold its AGM on Day 2**

**Registration Fee – FREE**
